

## Agreement for IFS Consultation with Roxanne Strauss, LMFT

As a therapist licensed in the State of California, I only provide psychotherapy to California residents. However, I offer consultation in the IFS model to therapists and practitioners interested in deepening and expanding their understanding of, and experience with, the model.

This consultation is not clinical supervision; the consultant does not have all pertinent clinical information and is in no way responsible for the clinical decisions or management of any cases discussed.

My fee for coaching/consultation is \$\_\_\_\_\_ per 60-minute session.

All information shared is kept confidential. To optimize the confidentiality of internet sessions I prefer to use either Zoom or VSee. If you prefer another platform, please be advised that the confidentiality cannot be assured.

If appropriate or necessary, I will encourage you to seek the services of a qualified professional in your area with whom you can meet in person.

I agree to the above terms of our coaching/consultation relationship.
